Subject: Application for the Award of the Environmental Label according to DE-UZ 100  
for "Car Sharing"

Dear Sir/Madam,

Your application for the award of the Environmental Label can only be processed without delay when the following are submitted to RAL gGmbH:

- Product-related informal application on the firm's letter-head paper indicating the federal state being home to applicant's factory that manufactures the products to be marked with the ecolabel.
- Annex 0: General application form for the Blue Angel (printed form)
- Annex 1: Declarations/compliance verifications for the contract (printed form)
- Annex 2: Documentation about eligibility to participate in the car sharing scheme e.g. general terms & conditions (Paragraph 3.1.1)
- Annex 3: Verification of the minimum level of performance according to Paragraph 3.1.2
- Annex 4: Declaration about passing on data in accordance with Paragraph 3.1.3
- Annex 5: Registration certificates for all vehicles (3.2.1)
- Annex 6: Verification of the use of electricity from renewable energies (3.2.6)
- Annex 7: Verification of the use of the logo (3.3)
- Annex 8: (annually, printed Excel form)
  - Documentation of new diesel vehicles and the declared NOx emissions for the RDE test procedure (3.2.2),
  - Documentation of new petrol vehicles and the declared value for particulate emissions (WLTC or RDE) (3.2.3),
  - Documentation of the modernisation of the fleet in accordance with 3.2.4,
  - Documentation of the new vehicle quota for electric vehicles (3.2.5)
  - Information on the KBA segments and the number of approved seats (3.2.7)

- Annex 9a-c: (annually)  
Registration certificates for all new diesel vehicles **or**  
declaration by the vehicle manufacturer on compliance with the NOx emission values  
**or**  
confirmation, where relevant, of the non-availability of comparable vehicles in  
accordance with 3.2.2
- Annex 10a-c: (annually)  
Registration certificates for all new petrol vehicles **or**  
declaration by the vehicle manufacturer on compliance with the stated particulate  
emission values or the use of an effective particulate filter **or**  
technical description for vehicles without direct injection (3.2.3)
- Expected sales of the products marked with the Environmental Label during the year of  
application. This information is required only if, so far, no other Contract on the Use of the  
Environmental Label according to DE-UZ 100 has been concluded with RAL gGmbH.
